5. Presentations

5.1 Alia Tulloch, Transportation Planning Analyst, Region of Durham

Re: Durham Meadoway Visioning Study

Alia Tulloch provided a presentation regarding the Durham Meadoway Visioning Study. Highlights of the presentation included:

- the area included in the Durham Meadoway Visioning Study;
- connecting the existing Durham Trail Network to other major GTA trails;
- an overview of the study including working with community partners to develop a coordinated vision and guiding principles to support decision making, confirming a functional alignment for a multi-use trail, and creating a destination experience;
- Phase 1, Community Engagement, which focused on the vision for the Durham Meadoway and the guiding principles that would support the vision, route options, and amenities and programming that could be incorporated into the design or be implemented over time;
- reviewing the Alternative Route options for five (5) segments of the Hydro Corridor;
- identifying enhancements and amenities along the multi-use path to make it a tourist destination;

- linking current focal points or destinations such as using the hydro corridor as an expansion opportunity for a future District Park or a connection to planned trails along Lynde Creek; and,
- next steps of the Durham Meadoway Visioning Study.

A question and answer period ensued regarding:

- whether Town staff were collaborating with the Region on the Durham Meadoway Project;
- reasons for ending the Durham Meadoway Project trail in Oshawa rather than continue to the east border of Clarington; and,
- whether there would be an ability to lease portions of the land for agricultural uses such as community gardens.

## 6. Delegations

There were no delegations.

## 7. General Business and Reports

### 7.1 Committee Member Introductions

Members of the Committee introduced themselves and provided a brief summary of their experience and interest in serving on the Active Transportation and Safe Roads Advisory Committee.

### 7.2 Active Transportation Plan

Tara Painchaud provided an overview of the Active Transportation Plan. Ms. Painchaud advised that the Plan includes existing and proposed trail maps, cost tables and phasing, consultation, proposed new policies, and strategies for downtown Whitby.

It was the consensus of the Committee to hear Item 9, Council Update, at this time.

### 7.3 2022 Active Transportation and Safe Roads Advisory Committee (ATSRAC) Annual Report

Peter Phillips advised that the 2022 Active Transportation and Safe Roads Advisory Committee (ASTRAC) Annual Report was presented to Committee of the Whole on December 5, 2022, and that he would circulate the report to the new Members.

### 7.4 2023 Budget Timelines and Active Transportation Elements

#### 7.4.1 Engineering Services Division

Lalita Thakali provided overview of 2023 projects including:

- traffic calming initiatives including design and installation of traffic calming measures for ten (10) streets;
- the Traffic Calming Implementation and Action Program including developing a Traffic Calming Policy with the support from a consulting firm;
- the Multi-Use Paths and Cycling Facilities Program including improving active transportation connections for some streets such as Cochrane Street and Taunton Road, Byron Street South and the Lynde Creek Trail (Noise wall), and improving the existing bike facility along Mary Street; and,
- installing improved pedestrian crossings with rectangular rapid flashing beacons at eight (8) locations.

A brief question and answer period ensued regarding whether staff could provide a list of current and planned projects, and a list of deferred items at future meetings.

#### 7.4.2 Community Services Department

Sean Malby provided an update regarding Community Services Department projects including:

- replacing the Corbett Creek Boardwalk;
- active transportation connections;
- rehabilitation projects for existing trails; and,
- adding safety and etiquette signs, and centre lines along the Waterfront Trail.

A question and answer period ensued regarding:

- whether Twin Streams Road would be connected to Des Newman Boulevard either via a roadway or a multi-use path as an interim connection; and,
- whether staff could provide a list of current and planned projects.

7.5 Active Transportation and Safe Roads Advisory Committee Subcommittees

Peter Phillips advised that the Committee established two subcommittees during the 2018-2022 term including, the Development Review Subcommittee and a subcommittee that reviewed and provided feedback on a Draft Traffic Calming Policy. Mr. Phillips requested the Committee to consider establishing a subcommittee to focus on education, active schools, and downtown active transportation.

8. Correspondence

There was no correspondence.

9. Council Update

Councillor Mulcahy provided an update regarding the 2023 Budget and advised that funds were set aside for traffic calming measures.

It was the consensus of the Committee to hear Item 7.3, 2022 Active Transportation and Safe Roads Advisory Committee (ATSRAC) Annual Report, at this time.

10. Other Business

10.1 Durham Winter Commute Month
